Reports Analysis Division
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Ms. Manzano:

Enclosed is a new copy of Schedule A that corresponds to our previously submitted May monthly report. A problem with the schedule duplication that cut off a portion of page 6, led you to conclude that there was a discrepancy. Total itemized contributions are indeed \$27,966.86.

Should you have any questions, please do not hesitate to call.

Sincerely,

A.J. DiTrantonio
Assistant Treasurer
